## **2009-31(E): Icemaker Maintenance Worker Temporary Full Time (40 hours/week) – 1 Appointment**

The City of White Rock is a unique, ocean-side community of 20,000 citizens known for its sunny weather, expansive beach, historic pier, delightful restaurants, and sense of community. The City is located half an hour south of Vancouver on the shore of Semiahmoo Bay.

Leisure Services seeks one (1) Temporary Full Time Icemaker Maintenance Worker at the Centennial Arena for a vacancy in their department. This is operational, building maintenance, and janitorial work involving operating refrigeration, ice-making, and resurfacing equipment, and maintaining ice quality. Will also perform minor maintenance and repair tasks, routine janitorial duties, security responsibilities, and provide public and other groups' assistance as required.

Necessary skills and qualifications include:

- Grade 12 completion or equivalent and related training and sound experience in operation, manufacturing, and maintenance of refrigeration equipment and ice surfaces
- Completed Class 5 Power Engineering Certificate
- Considerable knowledge of the methods, materials, and equipment used in ice making and refrigeration operations for skating activities
- Sound knowledge of materials, methods, and equipment used in building maintenance and janitorial work
- Ability to operate, maintain, overhaul and make minor repairs to all mobile and stationary equipment and machinery typically used in skating rinks and community centres
- Ability to assume operations and security responsibility on a regularly occurring basis
- Ability to deal effectively and courteously with the public and user groups
- Must successfully pass a criminal record check
- Must be able to work regular evening or night shifts

The hourly wage range of this appointment is \$23.59 (2009 rates) with vacation; expected end is in mid-March 2010. If your experience and education have prepared you for success and you are committed to working in a manner that supports a respectful, healthy, and safe environment, we invite you to apply. Please submit a cover letter, resume, and copy of your Power Engineering Certificate, indicating where you learned about this posting in your cover-letter. Note only complete applications will be considered.

**Application Deadline:** 4:30p.m., Tuesday, December 1, 2009  
**Submit your application:** See website for details  
**Subject Line:** Competition 2009-31(E): Icemaker Maintenance Worker  
**Inquiries:** Contact Ashley Johnson 604-541-2158

*Thank you for your interest. Only selected applicants will be contacted.*
