City of White Rock celebrates Earth Day

White Rock—The City of White Rock will celebrate Earth Day with a beach and foreshore cleanup on April 22 from 10:30 a.m. to 11:30 a.m. down on the waterfront.

White Rock Communities in Bloom and the City of White Rock Parks Division will be hosting the event, with students from White Rock Elementary and members of the public assisting in the clean up efforts.

“This event is a great opportunity for everyone to pitch in and help care for one of the City’s most valuable resources,” says Mayor Catherine Ferguson.

Garbage bags for the event will be provided by Pitch-In Canada (www.pitch-in.ca).
