

PUBLIC NOTICE

Water Main Construction

Maple Street
between

Buena Vista Avenue and Roper Avenue

June 8, 2009 to July 31, 2009

7:30 am until 5:30 pm daily

EPCOR White Rock Water Inc. will be upgrading the water main in the 1200 block of Maple Street, between Buena Vista Avenue and Roper Avenue. Residential services in that section of Maple Street will be upgraded at the same time.

While your water remains safe for use during the construction period, it may appear cloudy with varied fluctuation in water pressure. You may want to store enough water for daily consumption as water will be off intermittently.

Please refrain from parking on either side of the streets within the construction zone between the hours of 7:30 am – 5:30 pm.

EPCOR is working hard to ensure reliability and quality of your tap water. Thank you for your cooperation during construction.
