WHITE ROCK CITY NEWS

REMINDER

Keep the Sidewalks Clear

All White Rock property owners are reminded that in the event of a snowfall, or inclement weather, **City bylaws require them to remove all snow and ice from sidewalks adjacent to their property no later than 10:00 a.m.** This includes commercial property, as well as apartments and single family dwellings. Your cooperation is greatly appreciated.

In the event of a snowfall, residents are also reminded to check the City's website for possible changes to the garbage, recycling and yard waste collection schedule, as crews may be redeployed to assist with snow removal.

You can learn more about the City's snow removal policies on the City's website.

How much of what you give will end up as garbage?

The best way to reduce our garbage this holiday season is not to create it in the first place. Please take a moment to consider what you buy and don't be so quick to throw stuff away.

WHITE ROCK CITIZEN SURVEY

The City of White Rock has commissioned Ipsos Reid, a professional public opinion research company, to conduct a telephone survey of White Rock residents. The objective of this survey is to obtain the community's input on important local issues and City services, and the results of the survey will assist the City in planning for the future to meet the needs of its growing population. This survey is truly an opportunity for you to have your voice heard and to speak out on important community issues.

Over the next two weeks, Ipsos Reid will be randomly calling White Rock residents to participate in this survey. If you are contacted, please be assured that your individual responses will be kept confidential and will be combined with those of other citizens and reported together. Your opinions are important, and Ipsos Reid and the City of White Rock appreciate your participation in this research.

Should you have any questions or concerns regarding this survey, we encourage you to contact Jamie Leggatt at the City of White Rock at 604.541.2114 during regular business hours.
