A Note of Thanks

Mayor Catherine Ferguson and White Rock City Council would like to thank you, the residents of White Rock, for helping us dig out of the recent snowstorms. By doing your part to help keep sidewalks clear, you made it easier for all of us to get around.

As well, Council would like to express their deepest thanks to the City Operations and Parks staff for all the additional hours they put in during the holidays to help keep White Rock's streets accessible. Many employees missed out on special times with family and friends to help keep things moving in the City, and we greatly appreciated their efforts. Thanks again for a job well done!
